Objective

Obtain a position in which I can get more experience with networking and cyber security.

Summary

1. Certified on Networking Fundamentals by Microsoft.

Education

Sep 2019 - Present

Newport High School
Bellevue, Washington
Grade 11th and 12th

I took a CCNA Cisco course in the 11th grade where I learned the basics of networking, as well as earned a certification from Microsoft on my knowledge. I learned how to configure routers as well as switches and learned some basic protocols to run networks. Later in 12th grade, I took a more advanced course of CCNP CIsco. This is where I started to gain a lot more experience with different protocols which I had not used before. I also started to explore and research more about ways to fix problems and learned more about working with other people to fix errors and help each other. I learned how to run virtual machines and routers in order to configure networks in a safe environment with no risk of COVID.

Jan 2018 - Jun 2018

Newport High School
Bellevue, Washington
Grade 9th

In my 9th grade, I took a course of coding in python. I learned more about coding and learned more techniques about protocols and commands to use for advanced activities and protocols while using python.

Volunteer Service

Nov 2019 - Nov 2019 **Cashier/helping set up**
Newport High School
Newport High School Ski Swap
Grade 11
26 Hrs/Week
Total Hours: 26

I helped set up the Ski Swap and helped organize the items all around the school. During the Ski Swap, I became a cashier and occasionally helped as security, making sure everyone followed the rules and no one tried to steal anything. At the end of the Ski Swap, I helped clean up the set up.

Nov 2019 - Feb 2020 **Snowboard Instructor**
Snoqualmie Pass
Ullr
Grade 11
Total Hours: 40

I volunteered at Ullr as a snowboard instructor. I taught elementary students how to snowboard safely and effectively.

Extracurricular Activities

Aug 2018 - Oct 2018 **Cross Country**
Grade 10, 11, 12
12 Hrs/Week
Total Hours: 90

I was in the Newport High School cross country team and did it for 3 years there. I really enjoyed running with other people and running long distances.

Feb 2018 - May 2018 **Track and Field**
Grade 9, 10, 11, 12
12 Hrs/Week
Total Hours: 90

I enjoyed running with other people and running the long distance events.

Awards

MTA: Networking Fundamentals
Grade 11

I passed the 98-366: Networking Fundamentals test from Microsoft by studying hard and reviewing work form the past.
